

Everyday oils kit for You and your **DOG**

The “Everyday Oils kit” was developed so that one could easily gain benefits of therapeutic grade essential oils. The “Everyday Oils Kit” includes both singles and blends that are ideal for daily use. It includes Lavender, (an oil of balance.) Lemon, (an oil of refreshment.) Frankincense, (an oil of quiet contemplation.) Peppermint, (an oil of endurance.)And the blends; Pan Away, Thieves, Peace and Calming, Valor, and Purification, These oils can be a part of the whole family including your dog and the environment in which you live.

Therapeutic grade essential oils are more than grown organically, to achieve purity, and excellence in quality. Not all oils are the same! It’s important to have knowledge of how to, in addition to certainty that what you are using is of value.

Dogs have a natural affinity for essential oils and their healing potential. They are natural aromatherapist as all smells talk to them. You will discover how to properly apply them for a multitude of issue for your dog, and yourself, essential oils are concentrated. You will also gain knowledge linking English, French, and German models of Aromatherapy together.
